## **FCC LOCALISM TASK FORCE ANNOUNCES TICKETING AND OPEN MICROPHONE PROCEDURES TO FACILITATE PUBLIC PARTICIPATION AT BROADCAST LOCALISM HEARING IN MONTEREY, CALIFORNIA**

**RM-10803**

Washington, D.C. – Today the Federal Communications Commission’s Localism Task Force announces further details about its fourth broadcast localism hearing to facilitate public participation. The purpose of these hearings is to gather information from consumers, industry, civic organizations, and others on broadcasters’ service to their local communities. An important focus of the hearings will be to gather information and to conduct outreach for the ongoing nationwide round of broadcast station license renewals.

The date, time, and location of the fourth hearing are:

**Date: July 21, 2004**  
**Time: 6:00 p.m. to 10:00 p.m.**  
**Place: Monterey Conference Center  
Steinbeck Forum, Third Floor  
One Portola Plaza  
Monterey, California 93940**

### **Parking**

Parking is available in the Custom House East and West public parking garages on Del Monte and Tyler Streets. Please see the attached document entitled “Monterey Conference Center Location and Parking” for directions to the center, a map of its location, and some nearby parking facilities. More information about nearby parking (including hours of operation, directions, and rates) is also available at [www.monterey.org/parking/garages.html](http://www.monterey.org/parking/garages.html).

### **Admission Tickets**

To avoid the need for the public to line up for the hearing, the Task Force will distribute free, general admission tickets on a first-come, first-served basis in advance of the hearing. A ticket guarantees admission to the hearing. One ticket will be issued to each person. To make it

easy for members of the public to pick up an admission ticket, tickets will be available before, during and after regular business hours as follows:

***Ticket Distribution Opportunity #1:***

Date and Time: Monday, July 19, 2004, 6:00 p.m.—8:00 p.m.  
(two evenings before the hearing)  
Location: Steinbeck Forum Terrace (corner of Pacific Street & Del Monte Avenue, across from the Hotel Pacific), Monterey Conference Center, One Portola Plaza  
Number of Tickets: 150 tickets will be available (approximately 40% of the public seating in the hearing room)

***Ticket Distribution Opportunity #2:***

Date and Time: Wednesday, July 21, 2004, 7:00 a.m.—1:00 p.m.  
(the day of the hearing)  
Location: Steinbeck Forum Terrace (corner of Pacific Street & Del Monte Avenue, across from the Hotel Pacific), Monterey Conference Center, One Portola Plaza  
Number of Tickets: All remaining tickets will be available

Any tickets that remain after the close of the second distribution opportunity will be available when the hearing room is opened for seating, at approximately 5:30 p.m. Therefore, those who do not get a ticket beforehand may still request one at the hearing and will be admitted until the capacity of the hearing room is reached.

**Format of Hearing**

The hearing will include panels of speakers, comprised of representatives of community and advocacy groups and broadcasters. The panels have been designed to be balanced and informative. As in past hearings, a substantial portion of the hearing will be dedicated to hearing from members of the public during an open microphone segment.

**Open Microphone**

In order to ensure that all members of the public who wish to speak have an equal opportunity to do so, the Task Force will use a random method to select speakers during the open microphone session. Anyone who wishes to speak must draw a card with a “Group Number” pre-printed on it (for example: “Group 25”). There are a total of 10 cards for each group. During the open microphone segment, the Task Force will randomly select group numbers and then display them on screens in the hearing room. If a person’s group number is displayed, that person may proceed to the open microphone check-in area. An FCC staff member will then direct them to the microphone at the appropriate time. These procedures, as well as additional details on participating in the open microphone segment and procedures for filing written comments, are provided in the attached document regarding public participation. This public participation fact sheet will also be included in the information packet given to each person upon entering the hearing.

To further assist members of the public in participating in the Monterey hearing, the Task Force has also prepared two background documents, the attached fact sheet about broadcast localism, and a list of five questions that the public might consider as they listen to the hearing and formulate their remarks. This background material will also be included in the public packets provided to all who attend the hearing.

### **Translation, Captioning and Other Accommodations**

Simultaneous translation of the hearing will be provided in Spanish via wireless headsets. Open captioning will also be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Requests should include a description of the accommodation needed, providing as much detail as possible, as well as contact information, should additional information be needed. Please make requests as early as possible. All requests will be accepted and every effort will be made to fulfill them, although timing considerations may make that impossible in some cases. Send requests via e-mail to [fcc504@fcc.gov](mailto:fcc504@fcc.gov), or call the Consumer & Governmental Affairs Bureau:
