

The LPFM "Localism" campaign has the potential to disrupt or replace K-LOVE's signal in my area (88.9FM). This would eliminate a wholesome program that is beneficial to all ages of people and would be a devastating blow to the community. My family currently listens to this broadcast exclusively. K-LOVE teaches my children morals and values and has a positive impact on my family and the community. I believe that K-LOVE can change peoples' lives. It can provide guidance, help, and hope to individuals who are in desperate circumstances and enable them to turn their lives around and become positive contributors to society. I also believe that the teachings on K-LOVE provide daily reminders for individuals to live their lives in a way that is beneficial and productive to the community. K-LOVE broadcasts family oriented programming ONLY without worry of sexual or violent content. Please keep the K-LOVE broadcast safe and on the air without interference from LPFM signals. Thank You, Karen Bubb, Yukon, OK.
